QUICK SHIP
Cubicle Curtains

Quick Ship order requires 5 Days Production from receipt of deposit or PO (weekend days and holidays are not included) curtain will ship on the following day.

Quick Ship Curtains ship within Canada by Purolator Ground Shipping. Allow (1) Day for shipping within Ontario and (1) extra day per province. Areas outside of main cities or towns may have longer ship times. A freight estimate will be added to your quote, provide full address with postal code.
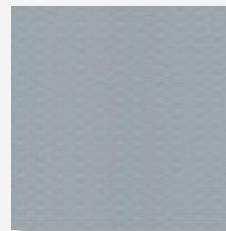

The maximum quantity for Quick Ship service is 10 Curtains total for the same property.

(Orders over 10 curtains have longer production times that will fall into standard production queue and will have varying production times based on volumes and fabric selection).
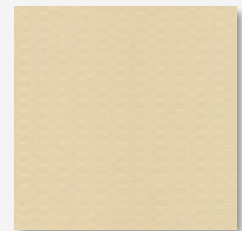

Quick ship program applies to cubicle curtains only, tracks are not included.

The cubicle curtain fabrics available for Quick Ship are: Sundance - Colours Cream, Cookie, Blue Moon and Mink Grey.
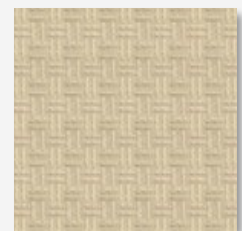

Sundance Fabrics:

Blue Moon

Cream

Mink Grey

Cookie

NOTE: Sundance fabric is 100% inherently flame retardant meeting Canadian flame test CAN-ULC S109 and is Washable.

STANDARDIZED CURTAIN OPTION

Standardized Curtains are a Single Panel, common size and can be overlap & hooked together to achieve wider widths when needed. For certain environments, Single Panel Curtains allow for easier removal for cleaning and replacement as all sizes are the same.

Fabric: Sundance Cream, Cookie, Mink Grey or Blue Moon

Standard Sizes:

A) 68"W x 90"H

B) 68"Wx 93"H

C) 68"W x 96"H

NOTES

With Mesh - is to meet fire code when sprinklers are present and help allow better transfer of light.

Without Mesh - will be a curtain panel of solid fabric.

Sundance fabric is 100% inherently flame retardant meeting Canadian flame test CAN-ULC S109 and is Washable. Certificate and washing instructions available.

Tiebacks are standard size and come with a grommet hole in the Middle for Wall mounting and Velcro at each wrapping around the Curtain.

Curtain Tracks and many other fabric choices available upon request.
